### Drums:

Some decent set with 20" bassdrum, 12" front tom and 16" floor tom with legs. These can be discussed. For hardware we need a drum throne, hihat stand with footboard angle adjustment, two snarestands (one for front tom, no bass drum attachment!) and four boom stands for cymbals. No drum rack!

### Cabinets & others:

For guitar we prefer two 4x12 cabs (any cab with 4x12 equipped with Celestion Vintage 30's will do) and two Peavey 6505/5150 amps. We need also instrument cable from amp to amp for splitting the guitar signal. For bass we just need a powerful amp and cab, Ampeg for example. Our singer brings his own Shure 58 mic.

### Hospitality

One vegetarian and three anti-vegetarians. No allergies. Water/soda, orange juice, red wine & beer for drinks. Chips, nuts and chocolate for snacks. For sleeping we prefer hostel or at least clean and warm room with four mattresses.
